

little red crabs; - the salt was
2 percent - 50 centes per thousand
9 gave the water 1 percent
he gave me change - 20-9
gave him 50 centes.

Opals
with
house
around
and at
next table. They do
not talk. The house
he has been. The water
them the little red crabs
& protecto ships all at once.
The large down seems very
satisfied with himself. He
is well performed. I must
it.

Oct. 19.

There is certainly no sign of
a depression in Spain.
"all the world" is on the
street at 7.00 p.m. The shops
are full. People buy.
Uptown Vigo is well dressed
& well set up. I have
just had 3 glasses of white
wine - "Vigo blanco" with
the first I got a little saucer
of prawns & the 2nd a dish of
potato crisps, & the 3rd olives.
I'll order a 4th to see what he
will do. It is only 7.00 p.m. &
I have to wait until 8.30 for
dinner. But when it comes
- what a meal.

— with the 4th, the waiter
brought a saucer full of those

slow
Open with large horses draw the blocks
of stone on two wheeled carts for the new docks.
